ABOUT BALLPARK VILLAGE:

Ballpark Village is the premiere dining, drinking and entertainment district in the region. Located in the heart of St. Louis' central business district adjacent to Busch Stadium, Ballpark Village is the first ever sports anchored, multi-phased mixed-use development. The \$100 million, 120,000-square-foot multi-story project is visible beyond the left center field wall of Busch Stadium, complementing the energy and excitement of the game day experience. Ballpark Village hosts a variety of public and private events 365 days a year, providing patrons with a variety of entertainment, food and beverage, and on-site parking in one location.

The first phase of Ballpark Village is anchored by Cardinals Nation, Budweiser Brew House, FOX Sports Midwest Live!, PBR St. Louis, Howl at the Moon piano bar, and Drunken Fish Sushi Restaurant and Lounge, Majestic Athletic and The Fudgery. Ballpark Village features five live performance stages, the largest retractable roof of its kind, a 40-foot indoor TV screen – the largest in the Midwest – and an outdoor festival space that recreates the infield of the previous Busch Stadium in its exact historical location. In future phases, Ballpark Village will offer luxury residential units and more than 750,000-square-feet of office space. Sponsorship opportunities are available.
